

## **Client Registration Documents in Vernacular Languages**

In order to facilitate better understanding of the registration documents by the investors, MCX and NCDEX have provided the following documents in different regional vernacular languages:

1. Document stating the Rights & Obligations of stock broker, sub-broker and client for trading on exchanges (including additional rights & obligations in case of internet / wireless technology based trading).
2. Uniform Risk Disclosure Documents (for all segments / exchanges).
3. Guidance Note detailing Do's and Don'ts for trading on exchanges.

The above mentioned documents in vernacular languages are available for download:
