# Will expose SP, BSP's misdeeds, says Modi

## AGENCIES

Agra

Attacking the coming to-gether of SP and BSP in Ut- tar Pradesh for the Lok Sabha elections, Prime Minister Narendra Modi said their leaders were worried about their mis- deeds and were now work- ing to defeat the 'chowki- dar' (watchman) who was all out to expose their "misdeeds".

Addressing a public meeting here, he said the opposition leaders were trying to close ranks to stop investigative agencies from acting against them but asserted that the gov- ernment would not stop until each paise of looted public money was un- earthed and accounted for.

In an apparent reference to mining scam in Uttar Pradesh allegedly involv- ing Akhilesh Yadav as Mininig Minister, Modi said the then government "plundered" public money to fill their own coffers. "People who hated each other... Everything is for- gotten... the guest house in- cident of Lucknow (an ap- parent reference to the at- tack on Mayawati during the regime of Mulayam Singh Yadav in 1995), the Muzaffarnagar riots and

much more are now forgot- ten and they are striking alliances. "The agenda is: Save your skin and work to defeat Modi, because the 'watchman is alert now'."

The SP and BSP are close to stitching an alliance in Uttar Pradesh to take on the BJP in the coming gen- eral elections. Modi asked the crowd whether or not he should perform his du- ties as a 'watchman' working honestly.

When people responded 'yes', the Prime Minister said all conspiracies against him would be de- feated and the investiga- tive agencies would not stop until each paise of public money looted was unearthed and accounted for. Calling himself a 'chowkidar' who is ever vigilant, Modi said that po- litical leaders involved in scandals and corruption should be ready to pay for their misdeeds. "The 'chowkidar' is vigilant, alert and working 24x7. No amount of political con- spiracies and alliances will be able to stop my war against corruption," he said.

He was addressing people after laying foundation stones and inaugurating developmental projects worth Rs 3,500 crore. He

also targeted the Congress, saying its leaders were now jittery because "Michel Mama" a reference to British middleman Christian Michel — was in custody of government agencies regarding the Augusta Westland scam.

"Now that he is in India, these Congress leaders are sweating, so much so that they have hired a lawyer to protect him from the law." He slammed Congress leaders for insulting and humiliating India's first woman Defence Minister.

"You all have seen how Congress leaders tried to disrespect Nirmala Sitharaman in the Lok Sabha when she was ex- posing their bundles of lies bit by bit, he said refer- ring to the debate in Lok Sabha on the Rafale deal."They thought Modi was like other politicians and that he will rust with time but they find me the same man I was four years back and now they are scared," he added.

Modi said he would con- tinue on the path of "sabka saath sabka vikas" with dedication and honesty, spelling out his "five prin- ciples of development" medicine, livelihood, edu- cation, irrigation and re- dress of grievances.

### CJl nominates...

However, the sword "of divestment of power and authority" of Verma is still hanging on his head as the court had said it was "still open" for the high-powered committee, which selects the CBI chief, to consider the matter within a week since the CVC is probing the charges of corruption against him.In pursuance of the court's directive, authorities have decided to convene the meeting of the selection panel on Wednesday. The top court, in its verdict, had also made it clear that on reinstatement, Verma will cease and desist from taking any major policy decisions till the committee's decision.

It had set aside the October 23, 2018 orders of the Central Vigilance Commission (CVC) and the Department of Personnel and Training (DoPT) divesting Verma of his powers and asking CBI's Joint Director M Nageshwar Rao to look after the duties and functions of the agency's Director. The entire issue of Verma revolved around his feud with CBI's special director Rakesh Asthana as both of them have levelled charges of corruption against each other.

While Verma had moved the apex court against the government's orders, Asthana has not challenged the order divesting him of his duties and sending him on leave in the top court but has moved the Delhi High Court for quashing of FIR against him in a corruption case. Like Verma, Asthana was also divested of his powers and was sent on leave by the government.

### From 35/3 to..

The hosts were bundled out for 91 with Naman Ojha the only player to play a knock of substance with 30. Girinath Reddy was the star with 6/29 and Andhra put up 11a solid show in the second innings. Armed with a lead of 41 runs, Andhra blasted 301 in the second innings with Karan Shinde blasting an unbeaten 103. Chasing a target of 342, MPstumbled to 35/3 before disaster struck. Aryaman Birla (12) was the first to go and a collapse ensued where none of the batsmen got going. Shubham Sharma (0), Venkatesh Iyer (0), Kumar Kartikeya (0), Ishwar Pandey (0) and Yash Dubey (0) all fell in the space of three overs as MP suffered a massive loss to be eliminated from the race to the quarterfinal spot. The win lifted AP to 17 points and sixth position in Group 'B' while MP's capitulation puts its chances of qualification to the last eight in jeopardy. **Brief Scores:** Andhra 132 and 301 all out beat MP 91 all out in 35.5 overs in 1st innings and 35 all out in 2nd innings

### Leopard caught...

"The cage with IIT Indore was not strong so we brought the leopard in our cage, carried out health check up of it and released it in jungle," sub-divisional forest officer Alvin Burman said. He did not disclose in which jungle the animal was released saying that it could be a threat to its safety. IIT Indore was established in 2009. Initially, it operated from Devi Ahilya Vishwavidyalaya campus and moved to its own premises in Simrol in 2015.

### SIBAL TEARS INTO BILL

He said government jobs are already diminishing and providing 10% reservation would mean jobs to 4500 persons per year, as against a country of 1.3 billion.

He also had a dig at the ceiling of Rs 8 lakh in the Bill for benefitting the economically weak, asking Finance Minister Arun Jaitley to waive income tax up to Rs 8 lakhs, instead of Rs 2.5 lakh. Bahujan Samaj Party (BSP) leader Satish Misra said this is only an enabling Bill that will require a separate law at the Centre and in the states to implement the 10% reservation. He said the Apex Court is bound to strike it down unless the government amends the Constitution to remove the cap of 50% it has put on reservation. Sibal also wanted the government to show data on other criteria fixed in the Bill like five acres of agricultural land or a 100 square yard plot.

He ridiculed the government for not accepting that the world is changing and that lakhs of jobs have been lost in IT industry and thousands in banks. Between 2001 and 2018, India has lost 7.3% jobs, as against only 0.3% jobs created in the past 18 years, a factor that should have been taken into account.
