किंगस्टन बेस्ट इडीज के कोच प्रलायड रीफर ने मारत के खिलाफ दूसरे टेस्ट के दूसरे दिन टीम के 87 रन तक सात विकेट गंवाने पर बल्लेबाजी के प्रति निराया व्यक्त की। मारतीय तेज गेंदबाज जसप्रीत बुमराह (१६ रन देकर छह

किंग्सरटा। भारतीय रेटवाजों ने दूसरे देस्ट मैच में वेस्टइंडीज की एल्ली पारी को सरसे में समेटा। भारत के 416 रनों के जवाब में तीसरे दिन वेस्टइंडीज की एल्ली पारी 4.1. ओकरों में 117 रनों पर सिमट गई। भारत ने पहली पारी में 299 रनों की बहुत लेने के बावजूद वेस्टइंडीज की प्रेलीआन के लिए प्रजवूर नहीं किया। वेस्टइंडीज ने तीसरे दिन सुबह पहली पारी में 87/8 से आगे खेलना शुरू किया। आपी स्कोर 97 तक ही पहुंचा था कि शापी की वाउंसर पर एडकीम कोनवाल ने गली में अजिंक्य राणो को के खाया दिवा अनेनेवाल ने गली में अजिंक्य राणो क

करेगा। दस सीरीज में एक बार भी मेजबान टीम के करणा इस साराज न एक बार ना मजबान टान क बल्लेबाज प्रभाव नहीं छोड़ पाए है। चूंकि यह सीरीज वर्ल्ड टेस्ट चैंपियनशिप का हिस्सा है, इसलिए कप्तान होल्डर हर हाल में इस मैच में हार से बचना चाहेंगे, वैसे इसके लिए खिलाड़ियों को कारिक प्रदर्शन करना होगा।

### **OVERHEARD**

### Shot to hide dishonour

∧ n Additional Chief Secretary (ACS) whose video Awith a woman went viral has reached an understanding with her to hush up his ignominy. Immediately after the incident, he was shifted from the important department he was heading then. The ACS, too, went on leave. For the ACS, the problem was that, the woman, whom he had been seen with, threatened to lodge an FIR against him. The ACS was trying to find out a way to get rid of the dishonour. The ACS has reached a compro mise with the woman following mediation by some people. After that, the woman has decided to keep off from taking action against him. Behind the lady, who was found with the ACS, there was another woman of ill repute. She is associated with a political party for a long time and hatched a conspiracy to hem the ACS in. Some other people were also behind that scheme.

### **Proving loyalty**

A senior IAS officer is out to attest his loyalty to the government. To get an important position, he is working his socks off to please the higher-ups in the government. He wants to show that he has nothing to do with the BJP leaders any more. Close as he has been to the RSS, he is making dossiers against the organisation The Sahib has been given an important project. Never theless, while working on the project, he is making ways for action against the Sangh. As he is at home with law, he may cause trouble to them. The way the officer has changed his tune with the change of government has startled many senior leaders of the RSS. The officer's name has been proposed for posting to some important departments, but certain unknown reasons have driven those positions further than his reach. The officer has impressed a powerful minister who is trying to get him posted to a significant department.

### **Protest leave**

▲ secretary-level IAS officer has gone on leave to vent  $oldsymbol{A}$ his spleen at the government for his posting to a department that is outside his choice. The department he has been posted to is considered important, but he does not want to work there. There are whispers in the corridors of power that he was also pulling out all the stops to get out of the department. As his efforts fell through he took leave. There are speculations among officers in the department over the reasons for his going on leave The employees of the department have become unhappy after the joining of another officer in place of the earlier one. As this officer was previously posted to the department, employees are acquainted with his style of functioning. This apart, the officer has the charge of another department, so it is likely that, he will soon be shifted from there. The department has hogged the lime light, though for some wrong reasons. For this depart ment's malfunctioning, the government, too, has faced criticism. Ergo, the squabbling among officials may cause further harm to the department.

### Fair weather friend

The links of an IAS officer with some powerful Con-**L** gress leaders have startled many a bureaucrat in the state. The officer was close to the former chief minister before the change of government. When the new gov ernment came to power, it was thought that the officer would lose his importance. After the officer was shifted from an important position, it was believed that, he would never return to the mainstream of administration. Contrary to that, immediately after his shifting, the officer was posted to an important department. Now, he is heading a more important department than the one he was previously doing. Nobody has understood the reason behind his posting to such an important depart ment. There are whispers that the officer has been close to a powerful Congress leader who is now backing him. Besides that, the links, which he has developed with powerful people during his tenure as head of different departments, have become useful for him. The officer has been shifted to an area from where comes a power ful Congress leader. For getting his posting there, the officer has wooed two factions of the Congress. But it may cause trouble to him in coming days.

### Lure of lucre

The story of lucre, made from illegal mining and **L** shared between a collector and an SP, has gone to town. The SP would previously purloin the money and only give a morsel of it to the collector. When the collector had begun to throw a spanner in the work of the SP both of them began to share the lucre with each other. About the SP it is said that he makes Rs 5 crore every month from illegal mining. The collector also gets his share. The SP recently got a four-km road repaired through a town inspector for smooth movements of the vehicles carrying illegally mined sand in the rainy season. Besides that, he keeps leaders of all political parties in good humour. He has accommodated the leaders of the party that ruled the state earlier. Now, he has asked the sand mafia to gratify the powerful people every month. The SP knows how to shut one's mouth.

### Spooky room

 $\mathbf{F}^{\mathrm{ew}}$  officers can work from a room in the new building at Mantralaya. During the past eight months, nameplates of at least six officers have been put on its door. Within a few days of their shifting to the room they had to go to other departments. Afterwards, those who occupied the room were retired. An Additional Chief Secretary (ACS) shifted to the room was transferred and began to sit in another room. On finding it vacant, when a secretary-level officer began to work from there, other officers were green with envy. He was then asked to vacate the room. The officer, who got the room allotted to his name after that, was seen with a woman in a video that went viral. He, too, was transferred. Now, the room has been allotted to another officer. # NRC: People now want govt action on 'excluded'

### AGENCIES Guwahati

A day after publication of the National Register of Citizens (NRC), people in Assam came out on Sunday with different opinions regarding the historical document, which the state has realised 34 years after the signing of the Assam Accord.

While some people wanted the government at the state and the Centre to complete the process for identification of the illegal foreigners as soon as possible and arrange for their deportation, others called for humane considering of the cases of excluded persons.

Although the final NRC published on August 31 excluded a to-

tal of 19,06,657 people from the document, yet these people would neither be detained nor termed as foreigners. The excluded people have been given 120 days time to approach the For-

eigners' Tribunals, and subsequently the higher courts, to establish their Indian citizenship. The final NRC has included a total of 3,11,21,004 persons, who have been found eligible on the basis of their documents.

"We are not happy over the figure of illegal foreigners in Assam. There are more who have made it to the NRC. However, now since we have the statistics through a legal process, the government must soon end the formalities to confirm their identity and take steps to deport them," said Rajen Baruah, a senior citizen.

"The government is trying to do politics over the NRC. However, the NRC is above party politics. We have got the NRC after a long and tiring process. It is not 100 per cent correct, yet we have come closer to a number. It is not good to complain about such a process," said noted intellectual Hiren Gohain.

Gohain also appealed everyone to consider the cases of excluded people with humanity.

"There is no question of granting citizenship to these people who have failed to prove their citizenship but we have sympathy for them. The government must consider their case with sympathy and humanity and must find out a solution for them," he said. Educationist Udayaditya Bharali also welcomed the NRC and said that there may have been some problems as it was a massive exercise.

New Telangana Guv: A Congressman's daughter who rose in BJP

DRAVIDA THAMBI / Chennai

Tamil Nadu BJP president Tamilisai Soundararajan, who on Sunday was appointed the Governor of Telangana, is a rare example of a leader who made it to the top through hard work without depending on the

political stature of family members. Born to staunch nationalist and Congressman Kumari Ananthan, who has served the national party since the days of Jawaharlal Nehru, Tamilisai charted her own course in politics joining the BJP, whose ideology is poles apart from that of the Congress. A qualified doctor, she had often said that the BJP's Hindutva ideology had drawn her to the party, which to this day has little base in the Dravidian state of Tamil Nadu. "For the party, I had to leave my father but I did not give up on my principles," Tamilisai told journalists on Sunday soon after news of the gubernatorial assignment given to her. Joining the BJP as an ordinary cadre, she wove her way up the ladder working meticulously putting in long hours of hard work. Initially, she was given a post in the party's state medical wing.

### WHAT SLOWDOWN?

Concerns of a downswing have racked up again as a severe slowdown in manufacturing activity has pulled GDP growth rate in first quarter (Q1) down to 5 per cent, marking the fourth successive guarter of decline in growth on the trot. From 8 per cent during Q1 of 2018-19 to 5 per cent in this guarter, the GDP has fallen by three per cent in barely a year. However, in all fairness, the Finance Minister tried to allay misgivings about possible job losses following the recent mega merger of banks, saying it would not lead to any. "Absolutely, ill informed. I want to assure every union in every one of these banks to please recall what I have said last Friday. When we spoke about amalgamation of banks I have very clearly underlined the fact that there shall not be one employee removed. Not at all", she told reporters.

Asked what she would say to people who had lost their jobs or were likely to lose theirs, Sitharaman said, "I can only say we are responding to the industry requirements. Across the board there is no one particular answer that I can give, saying this is the magic wand. Sectorally, what they want, we are responding," she said. Regarding the expected timeline for relief in the economy, the Finance Minister said the measures announced in the July budget were showing results on ground.

### So, BJP gets Rane, Sena bags Bhujbal

Sena's opposition to his entry. At least, in theory, Rane's entry is expected to dent Sena prospects in Konkan just as Bhujabal's entry is expected to undermine the BJP's prospects in Nashik district. So, Sena hopes to square up with its saffron ally by welcoming Bhuibal, the moment Rane joins the BJP a senior leader said Bhujbal, who left Shiv Sena in 1991, can join the party anytime and the decks for his entry have been cleared by Uddhav Thackeray. Supriya Sule, NCP leader and daughter of NCP Chief Sharad Pawar, was in Nashik recently for a mass outreach programme - Taainshi Samvad. But Bhujbal skipped this programme, which in turn ignited the buzz about his joining the Shiv Sena.

critic of the Modi government and its policies; that should put in perspective the university administration's decision to ask her to submit her CV for further consideration. Ahead of the 2019 Lok Sabha elections, Thapar was among the

many eminent personalities who had appealed to the Indian voters to cast their votes in favour of a diverse and equal India and help "eliminate politics of hate".

In an open letter published on the Indian Cultural Forum in April 2019, several writers, including the late Girish Karnad, Arundhati Roy, Amitav Ghosh, Nayantara Sahgal and Romila Thapar, had said hate politics was being used to divide the country, create fear and increasingly exclude more number of people from living as "fullfledged citizens".

मुख्याधिकारी,

अंबरनाथ नगरपरिषद, अंबरनाथ

Millions of Konkan residents of Mumbai, Thane, Pune and other places have left in droves for their small villages dotting the coastal districts, resulting in massive snarls on the only route. The incident added to their discomfort with many hoping against hope that they will reach their native place in time for Ganesh Chaturthi.
